MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Closure of Certain Forest Roads, Marquette and Alger Counties  
Land Use Order of the Director Amendment No. 9 of 2009  
FOR INFORMATION ONLY

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA), authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

Gwinn Management Unit staff is recommending the closure of a forest road located in the SW1/4 of the NE1/4 and the NW1/4 of the SE1/4 of Section 3, T49N, R26W, Marquette Township, Marquette County. The road must be closed for the following reasons:

The road is utilized each year by several campers and vehicles, which are left on the road and in the vicinity for extended periods of time without permission. Due to the high visibility of the site, this illegal use has resulted in numerous complaints from the public. In addition, this use has contributed to illegal fishing, public nuisance, partying, and littering.

Daily monitoring, verbal warnings, and tickets issued by Law Enforcement Division in the past has not corrected the problem. In addition, this illegal use is contributing to damage of state land and erosion. Staff recommendations include closure of the road and blocking access to the road by utilizing an earth berm.

The Western Upper Peninsula (WUP) Ecoteam has been informed of the need for these road closures. The closure has been reviewed and is supported by the WUP Ecoteam.
